THE ALUMINIZED METAL EGG CRATES

Solve the problem of shipping eggs, butter and other farm products by Parcel Post. They are made for continued use, being strongly constructed but light in weight.

Metal Egg Crates do not require outside wrapping for mailing. A short string only is needed for tying "pin" which holds lid securely closed.

One user reports forty-five (45) shipments, no breaks—crate as good as when new.

PRICES—POSTPAID.

Dozen and a half size—all eggs.....	\$.85
Two dozen size—all eggs.....	1.00
Three dozen size—all eggs.....	1.25
Four dozen size—all eggs.....	1.50

COMBINATION CRATES
